Project Development Phase – Sprint 4

EXPORT THE ANALYTICS

| Date	19 November 2022
Team ID	PNT2022TMID23966
Project Name	Estimate The Crop Yield Using Data Analytics

EXPORTING THE ANALYTICS:

After the completion of visualizations, dashboard, Report, Story we can export these in various ways.
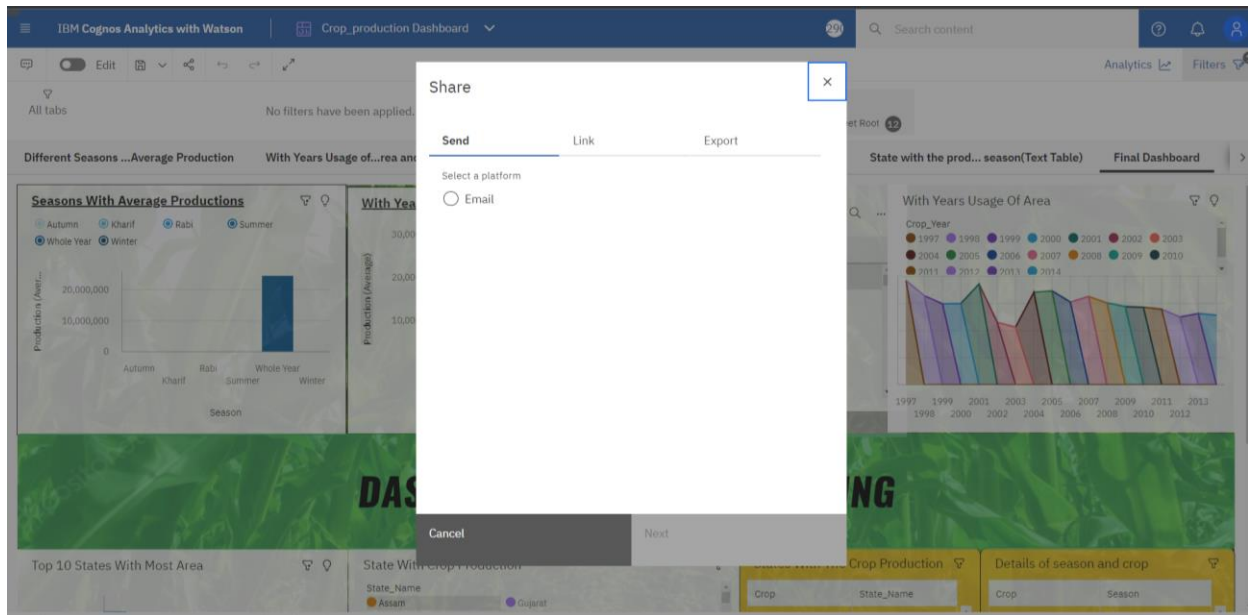

We can export these things via share option and it can be shared by link, embedded link, email and pdf.

We'll explore various export options in following.

Step 1: Save the current project by using save icon.

Step 2: Click the share button that present on the top of the page.

Step 3: You can send through email by clicking email option.

Step 4: You can share through link and can obtain the embed code.

We can use the embed code in our website to display our dashboard, story and report.

Step 5: You can export the analytics as a pdf by export option and it will be saved as pdf.
